

Public Building Commission – Parks Bathroom Upgrades
February 22, 2018
Town Hall Council Chambers, 84 South Main Street, Cheshire

Members Present: David Arai, Committee Chairman
Art Crooker

Others Present: Mark Nash, PBC
George Noewatne, Public Works and Engineering Director
Josh Medeiros, Director of Recreation

The scope of the project was discussed. Approximately \$280,000 is available for the work.

The subcommittee plans to tour the bathrooms at Quinnipiac, Cheshire, Mixville, Lock 12, and MacNamara Parks.

The subcommittee will contact the State for ADA compliance determinations if the design will materially change the current buildings.

The projected timeline will include the Town's performing a hazardous material survey in March, hiring an architect in April, and construction in the fall.

**Art Crooker made a motion to adjourn, which was seconded by David Arai.
The meeting was adjourned, by unanimous vote, at 3:50 PM.**
