All bids submitted become the Town’s property and will not be returned to bidders.

12. FREEDOM OF INFORMATION ACT

All information submitted in a bid or in response to a request for additional information is subject to disclosure under the Connecticut Freedom of Information Act as amended and judicially interpreted. A bidder’s responses may contain financial, trade secret or other data that it claims should not be public (the “Confidential Information”). A bidder must identify specifically the pages and portions of its bid or additional information that contain the claimed Confidential Information by visibly marking all such pages and portions. Provided that the bidder cooperates with the Town as described in this section, the Town shall, to the extent permitted by law, protect from unauthorized disclosure such Confidential Information.
If the Town receives a request for a bidder’s Confidential Information, it will promptly notify the bidder in writing of such request and provide the bidder with a copy of any written disclosure request. The bidder may provide written consent to the disclosure, or may object to the disclosure by notifying the Town in writing to withhold disclosure of the information, identifying in the notice the basis for its objection, including the statutory exemption(s) from disclosure. The bidder shall be responsible for defending any complaint brought in connection with the nondisclosure, including but not only appearing before the Freedom of Information Commission, and providing witnesses and documents as appropriate.

13. **REQUIRED DISCLOSURES**

Each bidder, in its Bid Form, is required to make certain disclosures useful to the Town in evaluating bidders. A bidder’s acceptability based on these disclosures lies solely in the Town’s discretion.

14. **REQUIRED STATEMENTS RE: EQUIPMENT AND SUPPLY SOURCE**

Each initial submission must include a description of the bidder’s plant and delivery equipment, listing stationary bulk tank capacity and where located, together with a list of carriers available for servicing the POs, tank capacity of each and where located. Each bidder must also provide the name and address of its methanol supplier. A qualified vendor shall notify the Municipalities in writing within three (3) business days of a change in its methanol supplier, which notice shall contain the name and address of its new methanol supplier(s).

15. **REFERENCES**

Each submitter must complete and submit the Bidder’s Statement of References form included in this Invitation.

16. **LEGAL STATUS**

If a submitter is a corporation, limited liability company, or other business entity that is required to register with the Connecticut Secretary of the State’s Office, it must have a current registration on file with that office. The Town may, in its sole discretion, request acceptable evidence of any bidder’s legal status. Each bidder must complete and submit the Bidder’s Legal Status Disclosure form included in this Invitation.

17. **BID SECURITY**

NOT APPLICABLE TO THIS INVITATION.

18. **PRESUMPTION OF SUBMITTER’S FULL KNOWLEDGE**

Each submitter is responsible for having read and understood each document in this Invitation and any addenda issued by the Town. A submitter’s failure to have reviewed all information that is part of or applicable to this Invitation, including but not only any addenda posted on the Town’s website, shall in no way relieve it from any aspect of its bid or the obligations related thereto.
Each submitter is deemed to be familiar with and is required to comply with all federal, state and local laws, regulations, ordinances, codes and orders that in any manner relate to this Invitation or to the supply and delivery of the methanol described herein.

Before preparing its bid, each submitter shall thoroughly familiarize itself with all conditions of the property where the methanol is to be supplied and delivered. The submission of a bid shall be construed as an assurance of such familiarity with property conditions. No claims for compensation for additional labor, equipment and materials for difficulties encountered will be recognized.

By submitting a bid, each submitter represents that it has thoroughly examined and become familiar with the Municipalities’ requirements and the purchase process described in this Invitation, and it is capable of supplying and delivering the methanol to achieve the Town’s objectives.

19. **INSURANCE**

Each qualified bidder shall, at its own expense and cost, obtain and keep in force for up to twelve (12) months after the date of the Notice of Qualification at least the insurance listed in the Insurance Requirements that are a part of this Invitation. The Town reserves the right to request from any qualified bidder a complete, certified copy of each required insurance policy.

To assist the Town in the qualification process, each bidder shall, at its own cost and expense, provide in its initial submission in response to this Invitation original, completed Certificate(s) of Insurance reflecting its ability to meet the Insurance Requirements that are a part of this Invitation.

20. **EQUAL OPPORTUNITY, AND AFFIRMATIVE ACTION**

Each bidder must submit a completed Bidder’s Certification Form Concerning Equal Employment Opportunities and Affirmative Action Policy included with this Invitation. Bidders with fewer than ten (10) employees should indicate that fact on the form and return the form with their bids.

21. **NON COLLUSION AFFIDAVIT**

Each bidder must submit a completed Bidder’s Non Collusion Affidavit that is as part of this Invitation.

22. **QUALIFICATION AND NOTICE THEREOF; MONTHLY PO CRITERIA**

All initial submissions will be publicly opened and read aloud as received on the date, at the time, and at the place identified in this Invitation. Bidders may be present at the opening.

The Town reserves the right to correct, after bidder verification, any mistake in a bid that is a clerical error, such as a price extension, decimal point error or FOB term. If an error exists in an
extension of prices, the unit price shall prevail. In the event of a discrepancy between the price quoted in words and in figures, the words shall control.

The Town reserves the rights to accept all or any part of a bid, reject all bids, and waive any informalities or non-material deficiencies in a bid. The Town also reserves the right to award monthly POs to different qualified bidders.

The Town will qualify bidders that, all things considered, the Town determines is in its best interests. The price proposed by the bidders for the first delivery will not be the sole factor in determining which bidders the Town deems to be qualified. Due consideration may also be given to a bidder’s experience, references, capabilities, past performance, the viability of the material with respect to the location of plants or storage points from which the material will be delivered, and other criteria relevant to the Town’s interests. The Town will not award the bid or any subsequent monthly PO to any business that or person who is in arrears or in default to the Town with regard to any tax, debt, contract, security or any other obligation.

The Town will identify the bidders that it deems qualified and issue a Notice of Qualification. Such notice does not provide the bidder with any rights and does not impose upon the Town any obligations. The Town is free to withdraw such qualification at any time and for any reason. A bidder has rights, and the Town has obligations, only if and when a PO is issued by the Town in response to a bidder’s price quotation.

If the bidder does not deliver the methanol within three (3) business days of the date of the PO, unless extended by the Town in writing, the Town may call the bid security provided by that bidder, and the Town is free to award the PO to another qualified bidder.

After the initial or first month, the Town will select and enter into a separate monthly PO with the qualified vendor offering the lowest delivered price for methanol for that month and considering factors subsequent to qualification that bear on the Town’s best interests (for example only, performance on a prior PO).

23. **COMPLIANCE WITH IMMIGRATION LAWS**

By submitting a bid, each bidder confirms that it has complied, and for a period up to twelve (12) months after the date of the Notice of Qualification will comply, with the Immigration Reform and Control Act (“IRCA”) and that each person it provides under a PO will at all times be authorized for employment in the United States of America. Each bidder confirms that it has a properly completed Employment Eligibility Verification, Form I-9, for each person who will work under a PO and that it will require each subcontractor, if any, to confirm that it has a properly completed Form I-9 for each person who will work under a PO.

Each qualified bidder issued a PO shall defend, indemnify, and hold harmless the Town, its employees, officers, officials, agents, volunteers and independent contractors, including any of the foregoing sued as individuals (collectively, the “Town Indemnified Parties”), against any and all proceedings, suits, actions, claims, damages, injuries, awards, judgments, losses or expenses,
including fines, penalties, punitive damages, attorney’s fees and costs, brought or assessed 
against, or incurred by, the Town Indemnified Parties related to or arising from the obligations 
under IRCA imposed upon that bidder. Such bidder shall also be required to pay any and all 
attorney’s fees and costs incurred by the Town Indemnified Parties in enforcing any of the 
bidder’s obligations under this provision, whether or not a lawsuit or other proceeding is 
commenced, which obligations shall survive the termination or expiration of the PO.

24. **SAMPLING AND TESTING**

A Town representative may, for testing purposes, take samples from the storage tanks of 
qualified bidders. The costs and expenses of such analysis or testing shall be the sole 
responsibility of the qualified bidder, and the Town shall have no liability for such costs and 
expenses. If the test results indicate that the methanol does not comply with the Specifications 
of this Invitation, the Town will not accept methanol from such tank(s). Methanol not meeting 
the Specifications shall be immediately removed at no cost or expense to the Town.

Whenever the Town suffers damages, losses, penalties, fines and/or other expenses related to 
the supply of methanol not meeting the Specifications or to the qualified bidder’s defective 
equipment and/or its negligent operation, the Town may, in its sole discretion, hold the 
qualified bidder liable for such damages, losses, penalties, fines and/or other expenses. The 
Town also reserves the right to suspend deliveries and/or withdraw that bidder’s qualification.

25. **DELIVERIES**

All Cheshire deliveries shall be made to the Water Pollution Control Facility, 1325 Cheshire 
Street, Cheshire, CT at such times as requested by Cheshire Town personnel and in such 
quantities as ordered. All Southington deliveries shall be made to the Water Pollution Control 
Facility, 999 Meriden-Waterbury Turnpike, Plantsville, CT at such times as requested by 
Southington Town personnel and in such quantities as ordered. All Meriden deliveries shall be 
made to the Meriden Water Pollution Control Facility, 226 Evansville Avenue, Meriden, CT at 
such times as requested by Meriden City personnel and in such quantities as ordered. Each 
delivery shall be metered at the delivery point.

Each delivery shall be accompanied by a delivery ticket. The ticket shall show the total number 
of gallons delivered. All such delivery tickets shall be completed to the Municipalities’ 
satisfaction. Delivery may be required during extremely bad weather conditions, and the 
bidder is required to make deliveries under any condition, providing truckers can maintain their 
trucks on the road.

**Unless specifically extended in writing by one of the Municipalities at the time of order, all** 
**orders shall be completed and delivered in their entirety within three (3) business days of the** 
**date of a PO.**

Volumes delivered must, as a minimum, equal the volume ordered. Volumes delivered may 
exceed the volume ordered only if there is sufficient storage volume available in the
Municipalities’ facilities and only if a Municipality approves of such delivery at the time it is made. A Municipality shall not be obligated to accept any volume above the amount it has ordered.

Delivery is to be made only on such days and at such hours as is acceptable to the ordering Municipality.

26. **RISK OF LOSS**

Each bidder issued a PO shall bear all risk of loss, injury or destruction of the goods and materials ordered that occurs prior to acceptance of a delivery. Such loss, injury or destruction will not release the bidder from any obligation under the PO. Delivery shall be F.O.B.

27. **PAYMENT**

Separate invoices shall be furnished to the Superintendent of each municipal Wastewater Treatment Plant for verification of the amount of methanol supplied and approval of the invoiced amount. Invoices shall summarize all deliveries and charges for the preceding month, including quantity delivered, unit price, and net cost. Payment shall be made within 30-45 days after invoice approval.

28. **PO TERMS**

The following provisions are mandatory terms of the Town’s PO with each qualified bidder to which it issues a PO. If a bidder is unwilling or unable to meet any of these PO Terms, the bidder must disclose that inability or unwillingness in its Bid Form (see Section 13 of these Standard Instructions and Terms, above). A bidder’s failure to make any such disclosure shall be deemed to be its acceptance of each and every requirement, term, provision and condition of this Invitation, including but not only this Section 28:

a. **DEFENSE, HOLD HARMLESS AND INDEMNIFICATION**

The bidder agrees, to the fullest extent permitted by law, to defend, indemnify, and hold harmless the Town, its employees, officers, officials, agents, volunteers and independent contractors, including any of the foregoing sued as individuals (collectively, the “Town Indemnified Parties”), from and against all proceedings, suits, actions, claims, damages, injuries, awards, judgments, losses or expenses, including attorney’s fees, arising out of or relating, directly or indirectly, to the bidder’s malfeasance, misconduct, negligence or failure to meet its obligations under the Invitation or a PO. A bidder’s obligations under this section shall not be limited in any way by any limitation on the amount or type of the bidder’s insurance.

In any and all claims against the Town Indemnified Parties made or brought by any employee of the bidder, or anyone directly or indirectly employed or contracted with by the bidder, or anyone for whose acts or omissions the bidder is or may be liable, the bidder’s obligations under this section shall not be limited by any limitation on the amount or type of damages,
compensation or benefits payable by the bidder under workers’ compensation acts, disability benefit acts, or other employee benefits acts.

The bidder shall also be required to pay any and all attorney’s fees incurred by the Town Indemnified Parties in enforcing any of the bidder’s obligations under this section, which obligations shall survive the termination or expiration of the Invitation or a PO.

As a municipal agency of the State of Connecticut, the Town will NOT defend, indemnify, or hold harmless the bidder.

b. **ADVERTISING**

The bidder shall not name the Town in its advertising, news releases, or promotional efforts without the Town’s prior written approval.

If it chooses, the bidder may list the Town in a Statement of References or similar document required as part of its response to a public procurement. The Town’s permission to the bidder to do so is not a statement about the quality of the bidder’s work or the Town’s endorsement of the bidder.

c. **W-9 FORM**

The bidder must provide the Town with a completed W-9 form within five (5) business days of Notice of Qualification.

d. **TOWN INSPECTION OF WORK**

The Town may inspect the bidder’s work at all reasonable times. This right of inspection is solely for the Town’s benefit and does not transfer to the Town the responsibility for discovering patent or latent defects. The bidder has the sole and exclusive responsibility for performing in accordance with the Invitation and a PO.

e. **REJECTED WORK OR MATERIALS**

The bidder, at its sole cost and expense, shall remove from the Town’s property rejected items, commodities and/or work within 48 hours of the Town’s notice of rejection. Immediate removal may be required when safety or health issues are present.

f. **MAINTENANCE AND AVAILABILITY OF RECORDS**

The bidder shall maintain all records related to the subject matter of this Invitation for a period of five (5) years after final payment under a PO or until all pending Town, state and federal audits are completed, whichever is later. Such records shall be available for examination and audit by Town, state and federal representatives during that time.
g. **SUBCONTRACTING**

The bidder shall not subcontract, transfer or assign all or any portion of its obligations under the Notice of Qualification or in a PO.

h. **COMPLIANCE WITH LAWS**

The bidder shall comply with all applicable laws, regulations, ordinances, codes and orders of the United States, the State of Connecticut and the Town related to its bid and the supply and delivery of the methanol described in the Invitation and PO.

i. **LICENSES AND PERMITS**

The bidder certifies that, for up to twelve (12) months after the date of the Notice of Qualification, it shall have and provide proof of all approvals, permits and licenses required by the Town and/or any state or federal authority. The bidder shall immediately and in writing notify the Town of the loss or suspension of any such approval, permit or license.

j. **CESSATION OF BUSINESS/BANKRUPTCY/RECEIVERSHIP**

If the bidder ceases to exist, dissolves as a business entity, ceases to operate, files a petition or proceeding under any bankruptcy or insolvency laws or has such a petition or proceeding filed against it, the Town has the right to terminate the bidder’s qualification effective immediately and not to solicit from it monthly price quotations.

k. **AMENDMENTS**

The PO process may not be altered or amended except by the written agreement of both parties.

l. **ENTIRE AGREEMENT**

It is expressly understood and agreed that the PO, as that process is described in the Invitation, contains the entire agreement between the parties, and that the parties are not, and shall not be, bound by any stipulations, representations, agreements or promises, oral or otherwise, not printed or inserted in the PO or the documents it references.

m. **CONNECTICUT LAW AND COURTS**

The PO shall be governed by and construed in accordance with the internal laws (as opposed to the conflicts of law provisions) of the State of Connecticut, and the parties irrevocably submit in any suit, action or proceeding arising out of the PO to the jurisdiction of the United States District Court for the District of Connecticut or of any court of the State of Connecticut, as applicable.
n. NON-EMPLOYMENT RELATIONSHIP

The Town and the bidder are independent parties. Nothing contained in the PO shall create, or be construed or deemed as creating, the relationships of principal and agent, partnership, joint venture, employer and employee, and/or any relationship other than that of independent parties contracting with each other solely for the purpose of carrying out the terms and conditions of the PO. The bidder understands and agrees that it is not entitled to employee benefits, including but not limited to workers compensation and employment insurance coverage, and disability. The bidder shall be solely responsible for any applicable taxes.
