A proposer must identify specifically the pages and portions of its proposal or additional information that contain the claimed Confidential Information by visibly marking all such pages and portions. Provided that the proposer cooperates with the Town as described in this section, the Town shall, to the extent permitted by law, protect from unauthorized disclosure such Confidential Information.
If the Town receives a request for a proposer’s Confidential Information, it will promptly notify the proposer in writing of such request and provide the proposer with a copy of any written disclosure request. The proposer may provide written consent to the disclosure, or may object to the disclosure by notifying the Town in writing to withhold disclosure of the information, identifying in the notice the basis for its objection, including the statutory exemption(s) from disclosure. 14. PROPOSAL (BID) SECURITY

“THIS ITEM IS NOT APPLICABLE TO THIS RFP”

15. PRESUMPTION OF PROPOSER’S FULL KNOWLEDGE

Each proposer is responsible for having read and understood each document in this RFP and any addenda issued by the Town. A proposer’s failure to have reviewed all information that is part of or applicable to this RFP, including but not only any addenda posted on the Town’s website, shall in no way relieve it from any aspect of its proposal or the obligations related thereto.

Each proposer is deemed to be familiar with and is required to comply with all federal, state and local laws, regulations, ordinances, codes and orders that in any manner relate to this RFP or the performance of the work described herein.

By submitting a proposal, each proposer represents that it has thoroughly examined and become familiar with the scope of work outlined in this RFP, and it is capable of performing the work to achieve the Town’s objectives. If applicable, each proposer shall visit the site, examine the areas and thoroughly familiarize itself with all conditions of the property before preparing its proposal.

18. INSURANCE

The successful proposer shall, at its own expense and cost, obtain and keep in force at least the insurance listed in the Insurance Requirements that are a part of this RFP. 20. DELIVERY ARRANGEMENTS

“THIS ITEM IS NOT APPLICABLE TO THIS RFP”
21. **AWARD CRITERIA; SELECTION; CONTRACT EXECUTION**

All proposals will be publicly opened and read aloud as received on the date, at the time, and at the place identified in this RFP. Proposers may be present at the opening.

The Town reserves the right to correct, after proposer verification, any mistake in a proposal that is a clerical error, such as a price extension, decimal point error or FOB terms. If an error exists in an extension of prices, the unit price shall prevail. In the event of a discrepancy between the price quoted in words and in figures, the words shall control.

The Town reserves the rights to accept all or any part of a proposal, reject all proposals, and waive any informalities or non-material deficiencies in a proposal. The Town also reserves the right, if applicable, to award the purchase of individual items under this RFP to any combination of separate proposals or proposers.

The Town will accept the proposal that, all things considered, the Town determines is in its best interests. Although price will be an important factor in most RFPs, it will not be the only basis for award. Due consideration may also be given to a proposer’s experience, references, service, ability to respond promptly to requests, past performance, and other criteria relevant to the Town’s interests, including compliance with the procedural requirements stated in this RFP.

The Town will not award the proposal to any business that or person who is in arrears or in default to the Town with regard to any tax, debt, contract, security or any other obligation.

If the lowest proposer meets all specifications, is responsive, and, if applicable, qualified, but the proposal is not acceptable to the Town Manager or, if applicable, the Public Building Commission or the Board of Education, the matter must be referred to the Town Council for its decision on whether to reject all proposals, to accept a higher proposal, or to take such other action as may be in the Town’s best interests.

The Town will select the proposal that it deems to be in the Town’s best interest and issue a Preliminary Notice of Award to the successful proposer. The award may be subject to further discussions with the proposer. **The making of a preliminary award to a proposer does not provide the proposer with any rights and does not impose upon the Town any obligations. The Town is free to withdraw a preliminary award at any time and for any reason. A proposer has rights, and the Town has obligations, only if and when a Contract is executed by the Town and the proposer.**

If the proposer does not execute the Contract within ten (10) business days of the date of the Preliminary Notice of Award, unless extended by the Town, the Town may call any proposal security provided by the proposer and may enter into discussions with another proposer.

The **Preliminary Notice of Award** and **Contract Execution** dates in Section 3’s **Key Dates** are anticipated, not certain, dates.

22. **AFFIRMATIVE ACTION, AND EQUAL OPPORTUNITY**

Each proposer must submit a completed Proposer’s Certification Concerning Equal Employment Opportunities and Affirmative Action Policy form included with this RFP. Proposers with fewer
than ten (10) employees should indicate that fact on the form and return the form with their proposals.

“THIS ITEM IS NOT APPLICABLE TO THIS RFP”

24. **COMPLIANCE WITH IMMIGRATION LAWS**

By submitting a proposal, each proposer confirms that it has complied, and during the term of the Contract will comply, with the Immigration Reform and Control Act (“IRCA”) and that each person it provides under the Contract will at all times be authorized for employment in the United States of America. Each proposer confirms that it has a properly completed Employment Eligibility Verification, Form I-9, for each person who will be assigned under the Contract and that it will require each subcontractor, if any, to confirm that it has a properly completed Form I-9 for each person who will be assigned under the Contract.

The successful proposer shall defend, indemnify, and hold harmless the Town, its employees, officers, officials, agents, volunteers and independent contractors, including any of the foregoing sued as individuals (collectively, the “Town Indemnified Parties”), against any and all proceedings, suits, actions, claims, damages, injuries, awards, judgments, losses or expenses, including fines, penalties, punitive damages, attorney’s fees and costs, brought or assessed against, or incurred by, the Town Indemnified Parties related to or arising from the obligations under IRCA imposed upon the successful proposer or its subcontractor. The successful proposer shall also be required to pay any and all attorney’s fees and costs incurred by the Town Indemnified Parties in enforcing any of the successful proposer’s obligations under this provision, whether or not a lawsuit or other proceeding is commenced, which obligations shall survive the termination or expiration of the Contract.

25. **NON COLLUSION AFFIDAVIT**

Each proposer shall submit a completed Proposer’s Non Collusion Affidavit that is part of this RFP.

26. **CONTRACT TERMS**

The following provisions will be mandatory terms of the Town’s Contract with the successful proposer. If a proposer is unwilling or unable to meet any of these Contract Terms, the proposer must disclose that inability or unwillingness in its Proposal Form (see Section 11 of these Standard Instructions to Proposers):

a. **DEFENSE, HOLD HARMLESS AND INDEMNIFICATION**

The successful proposer agrees, to the fullest extent permitted by law, to defend, indemnify, and hold harmless the Town, its employees, officers, officials, agents, volunteers and independent contractors, including any of the foregoing sued as individuals (collectively, the “Town Indemnified Parties”), from and against all proceedings, suits, actions, claims, damages, injuries, awards,
judgments, losses or expenses, including attorney’s fees, arising out of or relating, directly or indirectly, to the successful proposer’s malfeasance, misconduct, negligence or failure to meet its obligations under the RFP or the Contract. The successful proposer’s obligations under this section shall not be limited in any way by any limitation on the amount or type of the successful proposer’s insurance. Nothing in this section shall obligate the successful proposer to indemnify the Town Indemnified Parties against liability for damage arising out of bodily injury to persons or damage to property caused by or resulting from the negligence of the Town Indemnified Parties.

In any and all claims against the Town Indemnified Parties made or brought by any employee of the successful proposer, or anyone directly or indirectly employed or contracted with by the successful proposer, or anyone for whose acts or omissions the successful proposer is or may be liable, the successful proposer’s obligations under this section shall not be limited by any limitation on the amount or type of damages, compensation or benefits payable by the successful proposer under workers’ compensation acts, disability benefit acts, or other employee benefits acts.

The successful proposer shall also be required to pay any and all attorney’s fees incurred by the Town Indemnified Parties in enforcing any of the successful proposer’s obligations under this section, which obligations shall survive the termination or expiration of this RFP and the Contract.

As a municipal agency of the State of Connecticut, the Town will NOT defend, indemnify, or hold harmless the successful proposer.

b. ADVERTISING

The successful proposer shall not name the Town in its advertising, news releases, or promotional efforts without the Town’s prior written approval.

If it chooses, the successful proposer may list the Town in a Statement of References or similar document required as part of its response to a public procurement. The Town’s permission to the successful proposer to do so is not a statement about the quality of the successful proposer’s work or the Town’s endorsement of the successful proposer.

c. W-9 FORM

The successful proposer must provide the Town with a completed W-9 form before Contract execution.

d. PAYMENTS

Proposers are encouraged to offer discounts for early payment. All other payments are to be made 30 days after the appropriate Town employee receives and approves the invoice, unless otherwise specified in the Specifications.

“In each of its contracts with subcontractors or materials suppliers, the successful proposer shall agree to pay any amounts due for labor performed or materials furnished not later than thirty (30) days after the date the successful proposer receives payment from the Town that encompasses the labor performed or materials furnished by such subcontractor or material supplier. The successful proposer shall also require in each of its contracts with subcontractors that such subcontractor shall,
within thirty (30) days of receipt of payment from the successful proposer, pay any amounts due any sub-subcontractor or material supplier, whether for labor performed or materials furnished.

Each payment application or invoice shall be accompanied by a statement showing the status of all pending change orders, pending change directives and approved changes to the Contract. Such statement shall identify the pending change orders and pending change directives, and shall include the date such change orders and change directives were initiated, additional cost and/or time associated with their performance and a description of any work completed. The successful proposer shall require each of its subcontractors and suppliers to include a similar statement with each of their payment applications or invoices.”

e. **TOWN INSPECTION OF WORK**

The Town may inspect the successful proposer’s work at all times. The proposer shall provide a minimum of forty-eight (48) advance notice of scheduled work to the Cheshire Tree Warden, and said work must be authorized at this time. This right of inspection is solely for the Town’s benefit and does not transfer to the Town the responsibility for discovering patent or latent defects. “This Item is Not Applicable to This RFP”

g. **MAINTENANCE AND AVAILABILITY OF RECORDS**

Such records shall be available for examination and audit by Town, state and federal representatives during that time.

SPECIFICATIONS FOR
TREE REMOVAL SERVICES

PROPOSAL #1819-20

Tree Removal Proposers are sought for hourly, overtime, and emergency callout rates to remove defective (or fallen) trees on an “as-needed” basis over a contract period of one-year. There is no established tree list to bid on as part of this RFP. Travel time to and from the Town of Cheshire shall not be paid, only the time spent on the job, commencing at the pre-arranged meeting time and location.

The Contractor shall provide adequate crew, equipment and materials to safely and efficiently complete each assigned tree removal project. Each such crew shall include an individual who shall be designated as the crew supervisor and who shall be responsible for the crew’s activities and who shall receive instruction from the Tree Warden or his representative and direct the crew to accomplish such work.

Whenever a tree, which is not scheduled to be removed, must be trimmed or pruned the contractor shall ensure that such trimming and pruning is carried out under the direct supervision of a licensed arborist. The successful proposer may subcontract this supervision at his/her own cost, which will not be reimbursed by the town. Only qualified line-clearance tree trimmers be assigned to work where a potential electrical hazard exists.

The proposer shall chip and remove branches, leaves, limbs and trunks up to a minimum of 10-inches in diameter, and cut all logs into lengths of eight (8) feet maximum. These logs shall subsequently be removed by Town forces, or offered to immediately abutting property owners or other parties at the discretion of the Tree Warden. Traffic control flagmen and signage shall be provided by the Department of Public Works when necessary. On rare occasion, the Town may wish to negotiate for wood removal and private disposal, which will be addressed outside of the contract on a case-by-case basis.

Should the low proposer not be available to complete an assigned project within a time frame acceptable to the Tree Warden, then he may award that part of the assignment to another proposer, or other contractor in accordance with purchasing rules. The Town reserves the right, at its sole discretion, to award a particular item or items of work to other than the low proposer when another proposer has demonstrated the clear ability to perform that particular item of work sooner, in a more qualified manner, and to provide a higher quality finished product. The Town may at any time assign any of its tree removal or pruning work to a qualified contractor who is listed on the State of Connecticut’s Department of Administrative Services (D.A.S.) Contract Award list.

The Public Works and Engineering Tree Warden or his Deputies will maintain a tree removal list and will prioritize the order and schedule the work based upon its budget and available resources for providing traffic control in support of the contractor.
The Contractor shall be required to cut trees stumps to a maximum height of approximately 6” (unless otherwise approved by the Tree Warden). Stump removal or grinding is not required as part of this bid.

The wood chips may be disposed of at the Cheshire Public Works Garage Facility, 1286 Waterbury Rd. between the hours of 7:00 a.m. to 3:15 p.m. The gate will be locked promptly at 3:30 p.m.

The Town’s workday (when traffic control can typically be provided) is between 7:30 a.m. and 3:00 p.m. weekdays and non-holidays (7.5 hours). The successful tree removal contractor may work longer in locations that do not require traffic control or the after-hour disposal of woodchips.
