8. COSTS FOR PREPARING BID

Each bidder’s costs incurred in developing its bid are its sole responsibility, and the Town shall have no liability for such costs.

9. OWNERSHIP OF BIDS

All bids submitted become the Town’s property and will not be returned to bidders.

10. FREEDOM OF INFORMATION ACT

All information submitted in a bid or in response to a request for additional information is subject to disclosure under the Connecticut Freedom of Information Act as amended and judicially interpreted. A bidder’s responses may contain financial, trade secret or other data that it claims should not be public (the “Confidential Information”). A bidder must identify specifically the pages and portions of its bid or additional information that contain the claimed Confidential Information by visibly marking all such pages and portions. Provided that the bidder cooperates with the Town as described in this section, the Town shall, to the extent permitted by law, protect from unauthorized disclosure such Confidential Information.

If the Town receives a request for a bidder’s Confidential Information, it will promptly notify the bidder in writing of such request and provide the bidder with a copy of any written disclosure request. The bidder may provide written consent to the disclosure, or may object to the disclosure by notifying the Town in writing to withhold disclosure of the information, identifying in the notice the basis for its objection, including the statutory exemption(s) from disclosure. 11. REQUIRED DISCLOSURES

In its Bid Form each bidder must disclose, if applicable:

- Its inability or unwillingness to meet any requirement of this ITB, including but not only any of the Contract Terms contained in Section 26, below;

- If it is listed on the State of Connecticut’s Debarment List;

- If it is ineligible, pursuant to Conn. Gen. Stat. § 31-57b, to be awarded the Contract because of occupational safety and health law violations;

- All resolved and pending arbitrations and litigation matters in which the bidder or any of its principals (regardless of place of employment) has been involved within the last ten (10) years;

- All criminal proceedings in which the bidder or any of its principals (regardless of place of employment) has ever been the subject; and

- Each instance in which it or any of its principals (regardless of place of employment) has ever been found to have violated any state or local ethics law, regulation, ordinance, code, policy or standard, or to have committed any other offense arising out of the submission of bids or bids or the performance of work on public works projects or contracts.

A bidder’s acceptability based on these disclosures lies solely in the Town’s discretion.

12. REFERENCES

Each bidder must complete and submit the Bidder’s Statement of References form included in this ITB.

13. LEGAL STATUS

If a bidder is a corporation, limited liability company, or other business entity that is required to register with the Connecticut Secretary of the State’s Office, it must have a current registration on file with that office. The Town may, in its sole discretion, request acceptable evidence of any bidder’s legal status.

14. BID SECURITY

Each bid must be accompanied by a certified check of the bidder or a bid bond with a surety acceptable to the Town in an amount equal to at least TEN PERCENT (10%) of the bid amount. The bid bond shall be written by a company or companies licensed to issue bonds in the State of
Connecticut, which company or companies shall have at least an “A-” VIII policyholders rating as reported in the latest edition of Best Publication’s Key Rating Guide. The successful bidder, upon its refusal or failure to execute and deliver the Contract, certificate(s) of insurance, W-9 form, performance security or other documents required by this ITB within ten (10) business days of written notification of preliminary award, unless the Town otherwise agrees in writing, shall forfeit to the Town, as liquidated damages for such failure or refusal, the security submitted with its bid.

Upon the successful bidder’s execution of the Contract in the form enclosed with this ITB, the Town shall return the bid security to the successful bidder and to all other bidders.

15. PREFERENCE OF BIDDER’S FULL KNOWLEDGE

Each bidder is responsible for having read and understood each document in this ITB and any addenda issued by the Town. A bidder’s failure to have reviewed all information that is part of or applicable to this ITB, including but not only any addenda posted on the Town’s website, shall in no way relieve it from any aspect of its bid or the obligations related thereto.

Each bidder is deemed to be familiar with and is required to comply with all federal, state and local laws, regulations, ordinances, codes and orders that in any manner relate to this ITB or the performance of the work described herein.

By submitting a bid, each bidder represents that it has thoroughly examined and become familiar with the scope of work outlined in this ITB, and it is capable of performing the work to achieve the Town’s objectives. If applicable, each bidder shall visit the site, examine the areas and thoroughly familiarize itself with all conditions of the property before preparing its bid.

16. SUBSTITUTION FOR NAME BRANDS

THIS ITEM IS NOT APPLICABLE TO THIS ITB

17. TAX EXEMPTIONS

The Town is exempt from the payment of federal excise taxes and Connecticut sales and use taxes. Federal Tax Exempt #066-001971. Exemption from State sales tax per Conn. Gen. Stat. Chapter 219, § 12-412(1). No exemption certificates are required, and none will be issued.

18. INSURANCE

The successful bidder shall, at its own expense and cost, obtain and keep in force at least the insurance listed in the Insurance Requirements that are a part of this ITB. The Town reserves the right to request from the successful bidder a complete, certified copy of any required insurance policy.

19. PERFORMANCE SECURITY

The successful bidder shall furnish a performance bond covering the faithful performance of the Contract (the “Performance Security”). The Performance Security shall be in the full amount of the contract price, and in a form reasonably acceptable to the Town. If the Performance Security
is a performance bond, it shall be issued by a company licensed by the State of Connecticut that has at least an “A-” VIII policyholders rating according to Best Publication’s latest edition Key Rating Guide. The cost of the Performance Security shall be included in the bid price.

In addition to the Performance Security, the successful bidder shall furnish a bond covering the successful bidder’s payment to its subcontractors and suppliers of all obligations arising under the Contract (the “Payment Bond”). The Payment Bond shall be (a) in the full amount of the Contract price; (b) in a form reasonably acceptable to the Town; and (c) issued by a company licensed by the State of Connecticut that has at least an “A-” VIII policyholders rating according to Best Publication’s latest edition Key Rating Guide. The cost of the Payment Bond shall be included in the bid price.

20. **DELIVERY ARRANGEMENTS**

The successful bidder shall deliver the items that are the subject of the ITB, at its sole cost and expense, to the location(s) listed in the Specifications.

21. **AWARD CRITERIA; SELECTION; CONTRACT EXECUTION**

All bids will be publicly opened and read aloud as received on the date, at the time, and at the place identified in this ITB. Bidders may be present at the opening.

The Town reserves the right to correct, after bidder verification, any mistake in a bid that is a clerical error, such as a price extension, decimal point error or FOB terms. If an error exists in an extension of prices, the unit price shall prevail. In the event of a discrepancy between the price quoted in words and in figures, the words shall control.

The Town reserves the rights to accept all or any part of a bid, reject all bids, and waive any informalities or non-material deficiencies in a bid. The Town also reserves the right, if applicable, to award the purchase of individual items under this ITB to any combination of separate bids or bidders.

The Town will accept the bid that, all things considered, the Town determines is in its best interests. Although price will be an important factor in most ITBs, it will not be the only basis for award. Due consideration may also be given to a bidder’s experience, references, service, ability to respond promptly to requests, past performance, and other criteria relevant to the Town’s interests, including compliance with the procedural requirements stated in this ITB.

The Town will not award the bid to any business that or person who is in arrears or in default to the Town with regard to any tax, debt, contract, security or any other obligation.

If the lowest bidder meets all specifications, is responsive, and, if applicable, qualified, but the bid is not acceptable to the Town Manager or, if applicable, the Public Building Commission or the Board of Education, the matter must be referred to the Town Council for its decision on whether to reject all bids, to accept a higher bid, or to take such other action as may be in the Town’s best interests.

The Town will select the bid that it deems to be in the Town’s best interest and issue a Preliminary Notice of Award to the successful bidder. The award may be subject to further discussions with
the bidder. The making of a preliminary award to a bidder does not provide the bidder with any rights and does not impose upon the Town any obligations. The Town is free to withdraw a preliminary award at any time and for any reason. A bidder has rights, and the Town has obligations, only if and when a Contract is executed by the Town and the bidder.

If the bidder does not execute the Contract within ten (10) business days of the date of the Preliminary Notice of Award, unless extended by the Town, the Town may call any bid security provided by the bidder and may enter into discussions with another bidder.

The Preliminary Notice of Award and Contract Execution dates in Section 3’s Key Dates are anticipated, not certain, dates.

22. AFFIRMATIVE ACTION, AND EQUAL OPPORTUNITY

Each bidder must submit a completed Bidder’s Certification Concerning Equal Employment Opportunities and Affirmative Action Policy form included with this ITB. Bidders with fewer than ten (10) employees should indicate that fact on the form and return the form with their bids.

23. NONRESIDENT REAL PROPERTY CONTRACTORS

If the successful bidder is a “nonresident contractor” as defined in Conn. Gen. Stat. § 12-430(7)(A) as amended, it shall comply fully with the provisions of § 12-430(7) and, prior to execution of the Contract, shall furnish the Town with a copy of the requisite certificate of compliance set forth in § 12-430(7)(E). The successful bidder agrees to defend, indemnify, and hold harmless the Town, its employees, officers, officials, agents, volunteers and independent contractors, including any of the foregoing sued as individuals (collectively, the “Town Indemnified Parties”), from any and all taxes, interest and penalties that the State of Connecticut asserts are due with respect to the successful bidder’s activities under the Contract.

The successful bidder shall also be required to pay any and all attorney’s fees incurred by the Town Indemnified Parties in enforcing any of the successful bidder’s obligations under this section, whether or not a lawsuit or other proceeding is commenced, which obligations shall survive the termination or expiration of the Contract.

24. COMPLIANCE WITH IMMIGRATION LAWS

By submitting a bid, each bidder confirms that it has complied, and during the term of the Contract will comply, with the Immigration Reform and Control Act (“IRCA”) and that each person it provides under the Contract will at all times be authorized for employment in the United States of America. Each bidder confirms that it has a properly completed Employment Eligibility Verification, Form I-9, for each person who will be assigned under the Contract and that it will require each subcontractor, if any, to confirm that it has a properly completed Form I-9 for each person who will be assigned under the Contract.

The successful bidder shall defend, indemnify, and hold harmless the Town, its employees, officers, officials, agents, volunteers and independent contractors, including any of the foregoing sued as individuals (collectively, the “Town Indemnified Parties”), against any and all proceedings, suits, actions, claims, damages, injuries, awards, judgments, losses or expenses, including fines, penalties, punitive damages, attorney’s fees and costs, brought or assessed against,
or incurred by, the Town Indemnified Parties related to or arising from the obligations under IRCA imposed upon the successful bidder or its subcontractor. The successful bidder shall also be required to pay any and all attorney’s fees and costs incurred by the Town Indemnified Parties in enforcing any of the successful bidder’s obligations under this provision, whether or not a lawsuit or other proceeding is commenced, which obligations shall survive the termination or expiration of the Contract.

25. NON COLLUSION AFFIDAVIT

Each bidder shall submit a completed Bidder’s Non Collusion Affidavit that is part of this ITB.

26. CONTRACT TERMS

The following provisions will be mandatory terms of the Town’s Contract with the successful bidder. If a bidder is unwilling or unable to meet any of these Contract Terms, the bidder must disclose that inability or unwillingness in its Bid Form (see Section 11 of these Standard Instructions to Bidders):

a. DEFENSE, HOLD HARMLESS AND INDEMNIFICATION

The successful bidder agrees, to the fullest extent permitted by law, to defend, indemnify, and hold harmless the Town, its employees, officers, officials, agents, volunteers and independent contractors, including any of the foregoing sued as individuals (collectively, the “Town Indemnified Parties”), from and against all proceedings, suits, actions, claims, damages, injuries, awards, judgments, losses or expenses, including attorney’s fees, arising out of or relating, directly or indirectly, to the successful bidder’s malfeasance, misconduct, negligence or failure to meet its obligations under the ITB or the Contract. The successful bidder’s obligations under this section shall not be limited in any way by any limitation on the amount or type of the successful bidder’s insurance.

Nothing in this section shall obligate the successful bidder to indemnify the Town Indemnified Parties against liability for damage arising out of bodily injury to persons or damage to property caused by or resulting from the negligence of the Town Indemnified Parties.

In any and all claims against the Town Indemnified Parties made or brought by any employee of the successful bidder, or anyone directly or indirectly employed or contracted with by the successful bidder, or anyone for whose acts or omissions the successful bidder is or may be liable, the successful bidder’s obligations under this section shall not be limited by any limitation on the amount or type of damages, compensation or benefits payable by the successful bidder under workers’ compensation acts, disability benefit acts, or other employee benefits acts.

The successful bidder shall also be required to pay any and all attorney’s fees incurred by the Town Indemnified Parties in enforcing any of the successful bidder’s obligations under this section, which obligations shall survive the termination or expiration of this ITB and the Contract.

As a municipal agency of the State of Connecticut, the Town will NOT defend, indemnify, or hold harmless the successful bidder.

b. ADVERTISING
The successful bidder shall not name the Town in its advertising, news releases, or promotional efforts without the Town’s prior written approval.

If it chooses, the successful bidder may list the Town in a Statement of References or similar document required as part of its response to a public procurement. The Town’s permission to the successful bidder to do so is not a statement about the quality of the successful bidder’s work or the Town’s endorsement of the successful bidder.

c. **W-9 FORM**

The successful bidder must provide the Town with a completed W-9 form before Contract execution.

d. **PAYMENTS**

Bidders are encouraged to offer discounts for early payment. All other payments are to be made 30 days after the appropriate Town employee receives and approves the invoice, unless otherwise specified in the Specifications.

“In each of its contracts with subcontractors or materials suppliers, the successful bidder shall agree to pay any amounts due for labor performed or materials furnished not later than thirty (30) days after the date the successful bidder receives payment from the Town that encompasses the labor performed or materials furnished by such subcontractor or material supplier. The successful bidder shall also require in each of its contracts with subcontractors that such subcontractor shall, within thirty (30) days of receipt of payment from the successful bidder, pay any amounts due any sub-subcontractor or material supplier, whether for labor performed or materials furnished.

Each payment application or invoice shall be accompanied by a statement showing the status of all pending change orders, pending change directives and approved changes to the Contract. Such statement shall identify the pending change orders and pending change directives, and shall include the date such change orders and change directives were initiated, additional cost and/or time associated with their performance and a description of any work completed. The successful bidder shall require each of its subcontractors and suppliers to include a similar statement with each of their payment applications or invoices.”

e. **TOWN INSPECTION OF WORK**

The Town may inspect the successful bidder’s work at all reasonable times. This right of inspection is solely for the Town’s benefit and does not transfer to the Town the responsibility for discovering patent or latent defects. The successful bidder has the sole and exclusive responsibility for performing in accordance with the Contract.

f. **REJECTED WORK OR MATERIALS**

The successful bidder, at its sole cost and expense, shall remove from the Town’s property rejected items, commodities and/or work within 48 hours of the Town’s notice of rejection. Immediate removal may be required when safety or health issues are present.
g. MAINTENANCE AND AVAILABILITY OF RECORDS

The successful bidder shall maintain all records related to the work described in the ITB for a period of five (5) years after final payment under the Contract or until all pending Town, state and federal audits are completed, whichever is later. Such records shall be available for examination and audit by Town, state and federal representatives during that time.

h. SUBCONTRACTING

Prior to entering into any subcontract agreement(s) for the work described in the Contract, the successful bidder shall provide the Town with written notice of the identity (full legal name, street address, mailing address (if different from street address), and telephone number) of each proposed subcontractor. The Town shall have the right to object to any proposed subcontractor by providing the successful bidder with written notice thereof within seven (7) business days of receipt of all required information about the proposed subcontractor. If the Town objects to a proposed subcontractor, the successful bidder shall not use that subcontractor for any portion of the work described in the Contract.

All permitted subcontracting shall be subject to the same terms and conditions as are applicable to the successful bidder. The successful bidder shall remain fully and solely liable and responsible to the Town for performance of the work described in the Contract. The successful bidder also agrees to promptly pay each of its subcontractors within thirty (30) days of receipt of payment from the Town or otherwise in accordance with law. The successful bidder shall assure compliance with all requirements of the Contract. The successful bidder shall also be fully and solely responsible to the Town for the acts and omissions of its subcontractors and of persons employed, whether directly or indirectly, by its subcontractor(s).

i. PREVAILING WAGES

State law may require that wages paid on an hourly basis to any person performing the work of any mechanic, laborer or worker under the Contract and the amount of payment or contribution paid or payable on behalf of each such person to any employee welfare fund, as defined in Conn. Gen. Stat. § 31-53, as amended, shall be at a rate equal to the rate customary or prevailing for the same work in the same trade or occupation in the Town. A successful bidder who is not obligated by agreement to make payment or contribution on behalf of such persons to any such employee welfare fund shall pay to each mechanic, laborer or worker as part of such person's wages the amount of payment or contribution for such person's classification on each pay day. Upon Contract award, the successful bidder must certify under oath to the State Labor Commissioner the pay scale to be used by the successful bidder and its subcontractors.

j. PREFERENCES

The successful bidder shall comply with the requirements of Conn. Gen. Stat. § 31-52(b), as amended. Specifically, the successful bidder agrees that in the employment of labor to perform the work under the Contract, preference shall be given to citizens of the United States who are, and have been continuously for at least three (3) months prior to the date of the Contract, residents of the labor market area (as established by the State of Connecticut Labor Commissioner) in which such work is to be done, and if no such qualified person is available, then to citizens who have continuously resided in New Haven County for at least three (3) months prior to the date hereof,
and then to citizens of the State who have continuously resided in the State at least three (3) months prior to the date of the Contract.

k. **WORKERS COMPENSATION**

Gen. Stat. § 31-355.

l. **SAFETY**

o. **AMENDMENTS**

The Contract may not be altered or amended except by the written agreement of both parties.

p. **ENTIRE AGREEMENT**

It is expressly understood and agreed that the Contract contains the entire agreement between the parties, and that the parties are not, and shall not be, bound by any stipulations, representations, agreements or promises, oral or otherwise, not printed or inserted in the Contract or its attached exhibits.

q. **VALIDITY**

The invalidity of one or more of the phrases, sentences or clauses contained in the Contract shall not affect the remaining portions so long as the material purposes of the Contract can be determined and effectuated.
The Contract shall be governed by and construed in accordance with the internal laws (as opposed to the conflicts of law provisions) of the State of Connecticut, and the parties irrevocably submit in any suit, action or proceeding arising out of the Contract to the jurisdiction of the United States District Court for the District of Connecticut or of any court of the State of Connecticut, as applicable.
