Subject: Letter of Commendation for Officer Lorin Webber

Chief of Cheshire Police Dept.
Neil Dryfe
Neil,

I am writing this note to you to express my thanks to Officer Lorin Webber. On February 15th, my wife became ill in our home. She was babysitting my two young grandchildren (ages 2 & 3 yrs.) at the time. I was at work and there were no other adults there. At some point around 1:15 pm, my wife felt light headed as she was getting up from a chair. Then she passed out and fell to the floor. After a few seconds she regained consciousness and was able to call 911.

The call was answered by Officer Lorin Webber. He asked her if she was the mother in law of Shawn Simpson. She said yes and he continued to process the call for help. He dispatched police and paramedics to our house. He then took the initiative, on his own, to contact my son in law (Shawn) and inform him of the health issue with my wife. This extra step was invaluable for us, as Shawn was able to quickly get over to my house and to help attend to my wife and grandchildren. This was long before I was notified at work and able to get home.

I thank him for reaching out to my son in law at a time when we really needed it. He went beyond the call on our behalf. Please pass our thanks onto him.

Lorin, Thank you for your handling of this call and service to the community!

Subject: [EXTERNAL] compliment (Case #19-2827)

Dear Chief Dryfe:

I just wanted to send a quick note to compliment Officer Michael Morley. Officer Morley came here after I hit a deer last Sunday. I was a bit shaken by the experience, and his calm and polite manner made me feel a lot better.

Thanks to the Cheshire Police Department for the quick response.

Sincerely,
Stuart R. Korchin

Just a note to let you know how much I appreciate Officer Rosburg’s effort in getting assistance for my husband and myself. He went above and beyond his duty to help us. Thank you.
