

CHESHIRE INLAND WETLANDS AND WATERCOURSES COMMISSION

SITE WALK MINUTES

THURSDAY JANUARY 16, 2020

Site walk of Jarvis Street began at 3:03 p.m. and ended at 3:27 p.m.

Members Present: Charles Dimmick, Kerrie Dunne and Will McPhee

Others Present: Suzanne Simone, Tim McMurray (applicant)

The attendees walked portions of the property, using the applicant's site plan to orientate and find the general location of the proposed house. There were areas of standing water, as well as running water, in addition to wetland soils. The group observed that no flagging existed locating the wetland boundary, the proposed house location or the driveway.

Respectfully submitted:

Kerrie Dunne
IWWC Secretary
