Answers to Questions

Q1: Are the existing plans available? If so, please make them available to the bidders.

R1: Existing plans are attached for your reference. Note these plans are not as-builts therefore contractor shall verify information rather than assume was built to plans.

Q2: What is the percentage of state funding for this project? We need this in order to determine the amount of subcontractor/dbe monies we are to procure?

R2: The Connecticut Department of Transportation Local Bridge Program will fund 50% of the construction costs.

Q3: When will the contract be awarded? The earlier the better to allow beam and railing suppliers as much time as possible for shop drawings and manufacturing?

R3: The Town will issue a preliminary notice of award one-week after the bid opening (May 21, 2020). A notice of award and notice to proceed one week later (May 28, 2020) if the awarded contractor provides all the documentation required within the timeframe.
