Due consideration may also be given to a bidder’s experience, references, capabilities, past performance, the viability of the material with respect to the location of plants or storage points from which the material will be delivered, and other criteria relevant to the Town’s interests.

The Town will not award the bid to any business that or person who is in arrears or in default to the Town with regard to any tax, debt, contract, security or any other obligation.

If the lowest bidder meets all specifications, is responsive, and, if applicable, qualified, but the proposal is not acceptable to the Town Manager, the matter must be referred to the Town Council for its decision on whether to reject all bids, to accept a higher bid, or to take such other action as may be in the Town’s best interests.

The Town will select the bid that it deems to be in the Town’s best interest and issue a Preliminary Notice of Award to the successful bidder. The award may be subject to further negotiations with the bidder. **The making of a preliminary award to a bidder does not provide the bidder with any rights and does not impose upon the Town any obligations. The Town is free to withdraw a preliminary award at any time and for any reason. A bidder has rights, and the Town has obligations, only if and when a Contract is executed by the Town and the bidder.**

If the bidder does not execute the Contract within five (5) business days of the date of the Preliminary Notice of Award, unless extended by the Town, the Town may call any bid security provided by the bidder and may enter into discussions with another bidder.

**17. DEFENSE, HOLD HARMLESS AND INDEMNIFICATION**

By executing the Contract, the successful bidder agrees, to the fullest extent permitted by law, to defend, indemnify, and hold harmless the Town, its employees, officers, officials, agents, volunteers and independent contractors, including any of the foregoing sued as individuals (collectively, the “Town Indemnified Parties”), from and against all proceedings, suits, actions, claims, damages, injuries, awards, judgments, losses or expenses, including attorney’s fees, arising out of or relating, directly or indirectly, to the successful bidder’s malfeasance, misconduct, negligence or failure to meet its obligations under the ITB or the Contract. The successful bidder’s obligations under this section shall not be limited in any way by any limitation on the amount or type of the successful bidder’s insurance.
In any and all claims against the Town Indemnified Parties made or brought by any employee of the successful bidder, or anyone directly or indirectly employed or contracted with by the successful bidder, or anyone for whose acts or omissions the successful bidder is or may be liable, the successful bidder’s obligations under this section shall not be limited by any limitation on the amount or type of damages, compensation or benefits payable by the successful bidder under workers’ compensation acts, disability benefit acts, or other employee benefits acts. The successful bidder shall also be required to pay any and all attorney’s fees incurred by the Town Indemnified Parties in enforcing any of the successful bidder’s obligations under this section, which obligations shall survive the termination or expiration of this ITB and the Contract.

If the successful bidder ceases to exist, dissolves as a business entity, ceases to operate, files a petition or proceeding under any bankruptcy or insolvency laws or has such a petition or proceeding filed against it, the Town has the right to terminate the Contract effective immediately. In that event, the Town reserves the right, in its sole discretion as it deems appropriate and without prior notice to the successful bidder, to make arrangements with another person or business entity to provide the products and services described in the Contract.
