PLEASE HELP OUR NEIGHBORS WHO HAVE BEEN IMPACTED BY COVID-19

Cheshire Human Services has established the “Cheshire COVID-19 Assistance Program” to provide financial assistance to our community members who have been directly impacted by the pandemic.

This program prioritizes assistance for households with existing marginal financial means and that have now lost a significant portion of their income as a direct result of the COVID-19 public health crisis. Residents submit a brief online application, and those who are eligible will receive assistance in the form of grocery gift cards or payments made directly to utility companies, landlords, mortgage holders, medical providers, etc., until funding is depleted.

In the first week of the announcement of this program, there were over 150 applicants. Initial funding has been provided by the Cheshire Human Services Gift Account, with the hope that additional donations will continue to fund that account to cover the ongoing critical needs of our neighbors.

If you are able to support this Cheshire COVID-19 Assistance Program, your monetary donation would be deeply appreciated. Your full contribution will go directly to Cheshire households in need.

Contributions are tax deductible. Checks can be made payable to Cheshire Human Services (please note For COVID-19 Assistance) and mailed to:

Cheshire Human Services COVID-19 Assistance Program
84 South Main Street
Cheshire, CT, 06410.

Thank you for helping take care of our Cheshire community. Stay safe, stay well.
