RECEIVED  
Town of Cheshire

JUL 11 2020

To the Cheshire Planning and Zoning Commission:

Planning Dept.

Currently there is a Hazel Dr. Special Permit Application hearing scheduled for July 13, 2020. In light of COVID, this meeting is currently set up for public access to be made available through live streaming on YouTube. We feel that in person interaction with our town officials is necessary to convey our deep concerns with the proposed zone change/ 114 units, multi-story development. We are aware that other town meetings are being held publicly with limitations, and do not understand why we are not being afforded this same opportunity. We urge the Planning and Zoning Commission to post-pone the virtual public hearing, scheduled for July 13, 2020, until such time as in person hearing can take place.

We are submitting the following petition with over 100 signatures in support of this and urge you to seriously consider this request.

# Petition to remove the Hazel Dr. Special Permit Application hearing from the Cheshire Planning & Zoning Meeting agenda until in person meetings resume and Cheshire residents can actively participate
