PETITION TO STOP ZONE CHANGE 50 HAZEL DRIVE, CHESHIRE

Petition summary and background

We the undersigned, oppose the zone change that would allow the owner – developers to construct 114 apartments on this property.

Key reasons for opposition:

- Increase in traffic – RT 70 is already hazardous, the site of many accidents. An increase of 114 – 200 cars accessing Hazel Drive project is a major issue that needs much further study
- Destruction of trees and displacement of natural habitat of birds, turtles, swans, herons and egrets.
- Increase strain on school system.
- Multi dwelling complex – in the time of Covid-19 the multi unit towers proposed do not make sense.
- We respectfully request to delay the review of the proposal until such time an in person meeting with public comments can be held.
