1.	Permit Application	APP	#2011-019
	Verna Properties, LLC	DOR	09/20/11

Chairman de Jongh said it was his understanding there was a request by the applicant to postpone the public hearing.

Mr. Bowman asked if the applicant should be notified in writing that they are coming up on their mandatory action date.

Ms. Simone stated that they (the applicant) are aware of that date.

Chairman de Jongh explained that staff has been in touch with them.

Chairman de Jongh stated that the Commission only has one meeting in December. He said they will be in touch with the property to make sure that things are taken care of when they have to be.

Ms. Simone said the applicant is allowed to request an additional 65 days of any kind of process so if they wanted to max that out with the public hearing they would be able to have the public hearing extended to the first meeting in January 2012 then at that meeting the public hearing would have to close.

Chairman de Jongh said they would continue this public hearing to the December 6, 2011 meeting.

This portion of the tonight's meeting was closed at 7:37 p.m.

VI. ADJOURNMENT

This portion of the meeting was adjourned at 7:37 p.m. by the consensus of Commission members present.
