PREAMBLE

This Agreement is entered into by and between the Town of Cheshire, hereinafter referred to as the Town and Local 1303-431 of Council 4, AFSCME, AFL-CIO, hereinafter referred to as the Union.

ARTICLE I **RECOGNITION**

Section 1.1

The Town recognizes the Union, pursuant to the provisions contained in the Municipal Employee Relations Act ("MERA"), as the sole and exclusive representative for the purposes of collective bargaining on matters pertaining to wages, hours and other conditions of employment for all employees of the Town of Cheshire Public Library working twenty (20) or more hours per week including Professional Librarians II's and III's but excluding the Library Director, Deputy Library Director, Assistant Library Director and all other employees excluded under the MERA.

ARTICLE II **RIGHTS AND RESPONSIBILITIES OF THE TOWN OF CHESHIRE**

Section 2.1

Unless expressly and specifically limited, modified, abridged or relinquished by a specific provision of this Agreement, and whether exercised or not, the rights, powers and authority heretofore held by the Town of Cheshire pursuant to any charter, general or specific statute, ordinance, regulation or other lawful provisions, over the complete operations, practices, procedures and regulations with respect to employees of the Town, shall remain solely and exclusively in the Town, including, but not limited to, the following:

To determine the standards of services to be offered by Town employees; to determine the standards of selection for Town employment; to direct its employees; to take disciplinary and/or corrective action; to relieve its employees from duty because of lack of work or other legitimate reasons; to issue rules and regulations with proper notice and negotiations with the Union pursuant to State law; to maintain the efficiency of governmental operations; to determine work schedules; to determine the method, means and personnel by which the Town's operations are to be conducted; to determine the content of job descriptions and classifications, with proper notice and negotiations with the Union pursuant to State law; to exercise complete control and discretion over its organization and technology for performing its work and to fulfill all of its legal responsibilities. The Town reserves the right to continue the practice by which library employees who are bargaining unit members and supervisors perform work which may be performed by bargaining unit members and to use employees outside the bargaining unit to perform bargaining unit work in accordance with past practice.

ARTICLE III

UNION SECURITY

Section 3.1

The Town agrees to deduct from the pay of all its full-time and part-time employees, who in writing authorize such deductions from their wages, such membership dues, initiation fees, reinstatement fees, and voluntary service fees, as may be fixed by the Union. Such deduction shall continue for the duration of the Agreement except that any employee may withdraw such authorization in writing by certified mail to the Executive Director of Council 4.

Section 3.2

The deduction for any month shall be made during each payroll period of said month and shall be remitted to the Union together with a list of names of employees from whose wages such deductions have been made, no later than the fifth (5th) business day after which such deductions have been made.

Section 3.3

The Employer's obligations to make such deductions shall terminate automatically upon termination of the employee who signed the authorization or upon his transfer to a job not covered by this Agreement, except that deductions shall be resumed if a terminated employee who signed the authorization is recalled or reinstated.

Section 3.4

The Union agrees to indemnify and to hold the Town harmless against any and all claims, demands, suits or other forms of liability that shall or may arise out of, or by reason of, action taken by the Town for the purpose of complying with the provisions of this Article.

ARTICLE IV

SENIORITY, LAYOFF AND RECALL

Section 4.1

Seniority shall be defined as the length of an employee's continuous service with the Cheshire Library. All new employees seniority shall be from the date of hire in bargaining unit positions. Seniority shall be broken by either discharge, voluntary termination, or termination of recall provision rights.

Section 4.2

The Town will, during the month of January of each year, furnish the Union with a seniority list showing the length of service of employees in the bargaining unit.

Section 4.3

No employee shall obtain seniority until he or she has completed a probationary period during which he or she shall have worked for the Town for a period of one hundred eighty (180) calendar days. Following the completion of the probationary period, an employee's seniority shall be retroactive to that employee's most recent date of hire. During the probationary period, the probationary employee shall be covered by all terms and conditions of the Agreement, except that a probationary employee may be terminated by the Town in its sole discretion for any reason whatsoever and neither the employee nor the Union, on his or her behalf, shall have recourse to the grievance procedure of this Agreement.

* For the purpose of this Article and Section: if an employee works any part of a day, including Saturdays, Sundays, and holidays, that day shall count as one full day towards the one hundred eighty (180) calendar days.

Section 4.4

A. If the Town determines that a reduction in the work force is required and may be prevented by a reduction in employees' hours, the reduction in hours shall be done in the following order:

1. Vacant bargaining unit and non-bargaining unit positions, at the discretion of the Library Director;
2. Furlough days for the bargaining unit and non-bargaining unit employees to be determined by mutual agreement of both parties;
3. Filled non-bargaining unit positions not to exceed fifteen per cent (15%) of the total of non-union hours per week not to include the hours of the management administrative positions; and
4. Filled bargaining unit positions.

Under no circumstances shall the reduction in hours in #3 above apply to or include management administrative positions at the Library (Director, Deputy Director, Assistant Director)

B. When the Town determines that layoffs are necessary, they shall take effect in the inverse order of seniority in the classification affected in the following order:

1. Non-bargaining unit employees, not to exceed fifteen (15) per cent of the total of non-union hours per week, not to include the hours of the management administrative positions.
2. Probationary bargaining unit employees.
3. Regular bargaining unit employees.

Under no circumstances shall these layoffs apply to or include management administrative positions at the Library (Director, Deputy Director, Assistant Director).

C. Employees who are laid off shall have bumping rights, provided they have more seniority than the person bumped, as follows:

1. The employee may bump another employee in the same classification.
2. The employee may bump another employee in a lower classification.
3. The employee may bump a non-bargaining unit employee performing bargaining unit work within the same classification or lower classification.

An employee who has bumping rights must elect his/her right to bump in the order set forth above. Any employee who declines to accept the first available bumping opportunity, as set forth above, shall be laid off.

D. No employee may bump into another position or classification unless the bumping employee has the present ability to perform the work of the position into which the employee seeks to bump.

E. For the purposes of this Section, there shall be one (1) department.

F. An employee exercising bumping rights under this provision shall be given a 90 calendar day probationary period to demonstrate his/her ability to perform the job requirements. If the employee fails to demonstrate an ability to perform the job during this probationary period, then the employee shall be laid off. If a vacancy exists in a lower classification at the time the employee would otherwise be laid off, the Town shall offer the employee an opportunity to perform such job provided the employee meets the qualifications of the position, subject to an additional 90 calendar day probationary period. If the employee fails to demonstrate an ability to perform the job during this probationary period, then the employee shall be laid off.

G. An employee who bumps into a lower classification shall be paid at the rate of pay for the lower classification which is closest to, but not higher than, the employee's rate of pay in the former job classification.

Section 4.5

A. The names of all employees on lay-off shall be placed upon a recall list to be maintained by the Town Manager or his/her designee. Employees shall be entitled to recall for a period of thirty-six (36) months from the date of their lay-off, except as provided below. During this time, such employees shall only be entitled to be recalled in order of seniority, provided that no employee shall be guaranteed any job under this Agreement.

- B. An employee who has been laid off shall be responsible for keeping the Town Manager informed as to his/her current address. The Town shall only be required to send any recall notice to the address, which is maintained in the Town's employment records. If that notice is returned as not deliverable, he/she shall be no longer eligible for recall and he/she shall have his/her name removed from the recall list.
- C. An employee notified that an opening exists shall have ten (10) working days from his/her receipt of the recall notice which shall be sent by certified mail, return receipt requested, to notify the office of the Town Manager of his/her availability. The recalled employee must then report to work within three (3) weeks from their response of the recall notice or shall no longer be eligible for recall and he/she shall have his/her name removed from the recall list.
- D. An employee shall be recalled by seniority within the classification he/she was laid off from or to a job in a lower classification providing the employee has the ability to perform such work required within a 45 day working period. Such employee recalled to a lower classification shall maintain recall to the classification he/she was laid off from for the remaining period of his/her recall right period and will be given the first opportunity to return to said position in accordance with their seniority. An employee who refuses a recall to a position in a lower classification shall remain on the recall list to his/her former position only.

ARTICLE V

JOB POSTING

Section 5.1

When the Town determines that a permanent vacancy exists and that it is going to fill the position, the Town will follow the procedure set forth below. For purposes of this Article, a permanent vacancy includes the creation of a new position in the bargaining unit and/or the replacement of a previous incumbent as a result of a termination, promotion, demotion, resignation or retirement.

Section 5.2

All vacancies and positions covered by this Agreement shall be posted for a period of five (5) working days on bulletin boards in Cheshire Library before the Town shall act to fill such vacancies. A copy of job postings shall be given to the Union President or his/her designee. Employees who desire to be considered for appointment to any such vacancy must submit their applications to the Personnel Department not later than the conclusion of the posting period specified above. Union representatives may place into application the name of any employee who is absent from work during the posting period.

Section 5.3

Employees within the bargaining unit shall have first preference to apply for vacancies provided they are qualified and demonstrate appropriate performance, based on a written exam, oral exam and/or a practical exam and past employment records. If two qualified applicants are equal in skill and ability, as defined above, then the applicant with the greater seniority in the bargaining unit shall be offered the positions. The Town may fill a permanent vacancy from outside the bargaining unit if the Town determines that no qualified applicant applies from within the bargaining unit who possesses the requisite technical skills and abilities as described in the essential requirements of the job description.

Section 5.4

The promoted employee shall be given a probationary period of ninety (90) calendar days. The probationary period may be extended for up to ninety (90) calendar days if the Library Director thinks a longer working test period is necessary in order to determine whether the employee should be retained in the position. If the employee fails to satisfactorily complete the probationary period, he/she will be returned to his/her former position, provided that the position is still in existence or will be allowed to exercise such bumping rights as are provided for by this Agreement.

ARTICLE VI **HOURS OF WORK AND OVERTIME**

Section 6.1

- A. The regular hours of employment for full-time employees shall be thirty (30) to thirty-five (35) hours per week. The regular hours for part-time employees shall be twenty (20) hours to twenty-nine (29) hours per week. The hours of work will be scheduled generally between the hours of 9:00 a.m. and 8:30 p.m. Monday through Thursday and generally between the hours of 9:00 a.m. and 5:00 p.m. Friday and Saturday. Employees may request to revise their work schedule if necessary.

Employees will generally be required to work one night a week. Employees may also be required to work a second night based on seniority in the job classification required. If no employees volunteer, the least senior employee shall be required to work.

Employees will generally work one Saturday in rotation every third week, from the first Saturday following Labor Day through the last Saturday in June, working no more than 15 Saturdays per year between Labor Day and the last Saturday in June. The Union President will adjust the rotation so that holiday weekends will be evenly distributed among three teams.

- B. Beginning in the summer of 2022, employees will be required to work one Saturday in July and one Saturday in August from 9:00 a.m. to 1:00 p.m. between July 1 and August

31 excluding Independence Day weekend (as indicated on the holiday observance charts, Appendix B) and the Saturday before Labor Day. The summer Saturday(s) to be worked will be assigned after the summer vacation schedule is determined. Employees will account for their regular hours during the pay period of their required Saturday by adjusting their work schedules in the week leading up to their Saturday, by requesting paid leave to account for the balance of hours or by accruing compensatory time as described in 6.2A or 6.2B, as applicable. Once all bargaining unit members have been scheduled as described above (by May 1st of each year), the remaining slots on summer Saturdays will be offered to non-bargaining unit members in a manner deemed most appropriate by management.

In the event that additional summer Saturday coverage is needed, employees may work additional Saturdays pursuant to 6.2A. Employees will account for their regular hours during the pay period of any additional Saturdays by adjusting their work schedules in the week leading up to their Saturday, by requesting paid leave to account for the balance of hours, or by accruing compensatory time or overtime as described in 6.2A or 6.2B, as applicable.

- C. The Library Director shall determine annually the number of assignments needed for Sundays. There will be a minimum of four bargaining unit position assignments available. Bargaining unit employees will have the right of first refusal for the assignments of supervisor, children's and/or reference and one or two circulation shifts. If more bargaining unit employees sign up to work Sundays than needed to fill the positions, bargaining unit employees will be rotated in accordance with seniority. Employees of the bargaining unit will be paid at the rate of time and one half for all hours worked on Sunday. In the event that bargaining unit employees do not fill all positions, then non-bargaining unit employees and/or substitutes shall be hired to fill all positions declined by bargaining unit employees on a yearly basis. In the event a supervisor is not available to work on a Sunday, the Library Director or his/her designee shall replace the supervisor at his/her discretion. Management can make desk assignments on Sundays from 1:00 pm to 5:00 pm.

The Library Director or his/her designee will provide the Union President with the dates of Sunday hours; and the Union President shall be responsible for circulating the Sunday shift signup sheet and returning it to the Library Director or his/her designee no fewer than sixty (60) days before the commencement of Sunday hours.

- D. Employees working seven (7) or more hours in a given day will receive a one (1) hour unpaid meal break each working day. Upon approval from the Library Director, or his/her designee, an employee may opt to receive a one-half (1/2) hour unpaid meal break. Employees working less than seven (7) hours a day, with the approval of the Library Director, or his/her designee, may opt not to take a meal break. Employees will receive one ten (10) minute rest break during each half day of the daily schedule as time actually worked.

Section 6.2

- A. The Library Director shall determine when overtime or extra hours shall be worked. When available, overtime and/or extra hours work shall be offered to bargaining unit members prior to overtime work and/or extra hours work being offered to any non-bargaining unit employee.

The Union will maintain a rotation of bargaining unit members, based on seniority, for the purposes of determining the order in which overtime or extra hours work is offered. The Library Director or their designee will notify the Union when overtime or extra hours work is available and the Union will respond promptly with the name of the bargaining unit member who has accepted the offer of work. If no bargaining unit member accepts the offer of work, the Library Director will offer the overtime or extra hours work to non-bargaining unit employees.

- B. For employees who are normally scheduled to work thirty-five (35) hours per week or more, the employee shall be paid at a minimum of one and a half (1½) his/her normal hourly rate of pay for all required hours worked which is inclusive of any paid leave provisions under the terms and conditions of this Collective Bargaining Agreement in excess of his/her normally scheduled work week and in excess of his/her normally scheduled work day.
- C. Any employee whose normally scheduled work week is less than thirty-five (35) hours shall be paid at a minimum of one and a half (1½) his/her normal hourly rate of pay for all required hours worked in excess of thirty-five (35) hours during that work week. These hours worked are inclusive of any paid leave provisions under the terms and conditions of this Collective Bargaining Agreement.
- D. Any employee may elect either overtime compensation or compensatory time at same rate as all overtime earned when worked in excess of thirty-five (35) hours during the work week.
- E. An employee may accumulate no more hours of compensatory time than the number of hours an employee would regularly be scheduled to work weekly (i.e. an employee scheduled to 35 hours may accumulate 35 hours of compensatory time). Compensatory time accumulated in the fiscal year may be carried over to the new fiscal year.
- F. Compensatory time may be taken in **half** hour increments.
- G. Accumulation of compensatory time balance will be included on employee bi-weekly payroll checks and will be available by employee self-service when the Town implements a time management system that tracks compensatory time.
- H. Accrued compensatory time will be paid at separation not to exceed the hours allowed to accumulate under Section E.

Section 6.3

- A. An employee shall be paid at the rate of one and one-half times his/her normal rate of pay for all hours worked on Sundays.
- B. An employee shall be paid at the rate of twice his/her normal rate of pay for all hours worked on holidays, as specified in Section 7.1 of this Agreement.
- C. The Union shall be responsible for maintaining the overtime assignment list notwithstanding any emergency staffing situation that may occur.

Section 6.4

Any employee, who is called back to work outside his/her normal working hours for unscheduled overtime and who reports to work, shall be paid a minimum of two hours pay at the appropriate rate. An employee who is called into work shall be paid from the time he/she reports for duty, plus an additional thirty (30) minutes, at the appropriate rate of pay in lieu of Section 31-76b of the State Statutes. This provision shall not apply when the regular work day is extended before its start or at its end.

Section 6.5

Except in emergencies and any other unplanned situations, the Library Director or his/her designees shall notify employees of planned overtime no later than the day before the overtime work is scheduled.

Section 6.6

Employees, who are assigned in writing by the Library Director to work in a higher pay classification, shall receive the wages appropriate to the higher pay classification and placed at a step and rate greater than the employee's current rate, provided they work in the pay classification for a minimum of a full working day. Employees may elect not to assume the assignment to the higher classification. However, if all employees refuse the assignment, the junior qualified employee will be appointed.

Section 6.7

In the event of weather-related delayed opening or early closing of Town Hall, the Library will be closed at the same time as Town Hall. In the event of any delayed opening, early closing, or all-day closure of the library, bargaining unit employees will be paid for their scheduled shift.

In the event of any delayed opening or early closing of the Library on a Sunday, bargaining unit employees will be paid for the entirety of their scheduled shift at the overtime rate. In the event of an all-day closure of the Library on a Sunday, bargaining unit employees will be paid for the entirety of their scheduled shift at the straight time rate.

For the purposes of this section, "scheduled shift" shall be defined as the shift as it appeared on the posted schedule.

If the Library delays opening or closes early on the day of an employee's vacation, the employee will only be charged vacation time for any hours the Library was open. In the event of an all-day closure of the Library on the day of an employee's vacation, the employee will not be charged a day of vacation.

An employee who chooses to call out or leave early due to weather related events and prior to a closure decision being made, will need to use vacation, personal or compensatory time to cover all hours not worked even if the Library subsequently decides to close.

In the event of weather related conditions that affect driving conditions, employees should make every attempt to be on time for their scheduled shift. When an employee is late for work due to hazardous driving conditions, the employee shall not be charged for lateness provided that the employee arrives at work within an hour of the start of their scheduled shift.

Section 6.8

The Library Director or his/her designee may work with one or two bargaining unit members to plan, publicize and execute the Sunday concert series for an entire season. Any employees assigned voluntarily on a Sunday may receive a minimum of three (3) hours at time and one half the employee's normal rate.

Section 6.9

The position of Library Administrative Assistant will maintain a Monday through Friday, thirty-five (35) hour work week at the current hours of 8:00 am to 4:00 pm including a one (1) hour unpaid meal break for lunch. In case of an emergency, the Library Administrative Assistant may be required to cover the front desk per the Library Director. If the Library Administrative Assistant is required to work Saturdays or Sundays, the Library Administrative Assistant will trigger all overtime benefits in the Collective Bargaining Agreement.

ARTICLE VII **HOLIDAYS**

Section 7.1

The following holidays for permanent full-time and part-time employees shall be granted with pay:

| | |
|------------------------|----------------------------|
| New Year's Day | Labor Day |
| Martin Luther King Day | Columbus Day (observed) |
| Presidents' Day | Thanksgiving Day |
| Good Friday | Day after Thanksgiving Day |
| Memorial Day | Christmas Eve |
| Independence Day | Christmas Day |
| *One Floating Holiday | |

The floating holiday becomes available on January 1 of each year.

When Christmas Day and New Year's Day fall on a Saturday the Library will be closed on Friday and Saturday. When Christmas Day and New Year's Day fall on a Sunday, the following day will be celebrated as a holiday. When the Town Hall is open on New Year's Eve, the Library shall close the same time as the Town Hall and staff will work their regular hours during the same pay period. When the Library is open on New Year's Eve and the Town Hall is closed, the Library shall close at 4:00 p.m. and staff will work their regular weekly hours during that same pay period.

* Employees shall give a notice to the Library Director or his/her designee no later than noon of the Wednesday of the week preceding their request for their floating holiday.

The Library will close the same time as Town Hall the day before Thanksgiving. Staff will work their regular hours during the same pay period.

Section 7.2

When a holiday falls on a Saturday when the Library is normally closed, the holiday will be observed on the preceding Friday. When a holiday falls on a Saturday when the library is normally open, the holiday will be observed on the Saturday. When a holiday falls on a Sunday, the holiday will be observed on the following Monday. If a holiday falls on an employee's day off; the employee shall be awarded a floating holiday.

Section 7.3

An employee who is required to work on holidays shall be paid at two (2) times his/her regular rate of pay for hours worked on such holidays, in addition to the amount to which he/she is entitled as holiday pay.

Section 7.4

If a holiday should fall on an employee's vacation, the employee will not be charged a day of vacation.

Section 7.5

For days observed as holidays employees shall be compensated in proportion to their work week average over five (5) days (i.e. a 20 hour work week will equal 4 hour holiday compensation; 25 hour work week will equal 5 hour holiday compensation).

Section 7.6

Holidays earned as bonus or compensatory days must be taken in the same fiscal year as earned.

ARTICLE VIII VACATION

Section 8.1

Regular full-time and part-time employees, except as noted below, shall be granted a leave with pay for the purpose of taking vacation. No new employee, however, shall be eligible for a vacation unless the employee has attained the status of a regular employee by satisfactorily completing the probationary period. The vacation year for each employee shall commence on his or her anniversary date of employment. Vacation leave is based on length of service and is accrued or earned on a monthly basis as follows:

| <u>Length of Continuous Service</u> | <u>Vacation Leave Earned Per YEAR</u> |
|-------------------------------------|---|
| Less than 5 years | (10 days) 70 hours (5.8333 hrs per month) |
| 5 years but less than 10 years | (15 days) 105 hours (8.7500 hrs per month) |
| 10 years but less than 15 years | (20 days) 140 hours (11.6667 hrs per month) |
| 15 years or more | Additional (1 day) 7 hours per year of service to a maximum of (5 days) 35 additional hours for a total of 175 hours. |

Vacation time may be taken in half hour increments.

Section 8.2

Part-time employees shall earn vacation leave in proportion to their normal scheduled work week.

Section 8.3

An employee may take earned vacation leave during the employee's vacation year with proper authorization, except that no employee may take more than two (2) weeks at a time without the written approval of the Library Director and Town Manager. A maximum of ten (10) days of earned vacation leave may be carried over to the next vacation year with the approval of the Department Head and Town Manager. If an employee wishes to be paid prior to taking vacation leave, he/she shall notify the Department Head at least ten (10) days in advance of the last pay period prior to going on vacation. Since the purpose of vacation leave is rest and relaxation, no additional salary shall be paid an employee in lieu of vacation, except upon termination. The granting of carry over vacation days shall not set a precedent and shall be based on a case by case basis only.

Section 8.4

Vacation leave shall be determined by the length of continuous service. For purposes of computing vacation leave, employees who leave the Town service and are later restored shall be considered as new employees, except that if an employee is re-hired within one year of his/her termination date, then he/she shall receive credit for prior service for the purpose of computing vacation leave.

Section 8.5

An employee who is transferred shall retain all earned vacation leave and shall subsequently accrue vacation in accordance with Section 8.1 above.

Section 8.6

The Library Director or their designee will determine the annual vacation schedule, taking into consideration the particular needs of the Department and the desire of the employee. Employees who wish to reserve a vacation leave during the months of May through October must submit their requests in writing to the Library Director or his/her designee no earlier than January 1st but no later than February 1st. At that time, employees may request up to ten vacation days during July and August. Additional vacation days during July and August may be requested only after such time that all employees have made their initial requests. Employees who wish to reserve vacation leave during the months of November through April must submit their requests in writing to the Library Director, or his/her designee, no earlier than July 1 but no later than August 1. For selecting vacation surrounding Thanksgiving, Christmas and New Year's, vacation for these times will be based upon seniority on a rotational basis.

A minimum of three vacation slots per day, Monday through Friday, will be reserved for bargaining unit employees. When requesting a full week's vacation where the employee's scheduled Saturday falls at the end of the week, the Saturday will be included in the vacation request. Only one Saturday vacation slot per week will be granted in this manner. If there are more than the minimum number of requests for the same day(s), the vacation day(s) will be awarded on the basis of seniority. In no event shall vacation time previously granted to an employee be changed due to a vacation request of a more senior employee unless the employees mutually agree to a change. Bargaining unit employees who do not impact service desk schedules will not be counted as a vacation slot.

Employees shall give written notice to the Library Director or their designee no later than the Monday two weeks prior to the week in which the vacation request falls, for requests of three or more consecutive days. Exceptions to this shall be considered on a case by case basis. Weekly schedules shall be distributed by the Library Director or their designee at least two weeks in advance.

If granting vacation leave that would normally fall within the specified number of slots per day results in an unexpected staff shortage, the library administration will make all attempts to cover shortages before refusing any leave requests.

Section 8.7

Employees who are eligible for vacation and whose employment is terminated for any reason shall be paid an amount equal to all accumulated vacation pay earned but not taken. Under no circumstances should the vacation cashout exceed the number of days earned annually plus ten days carried over.

Section 8.8

Upon the death of an employee who is eligible for vacation, payment shall be made to the beneficiary (as designated on the Life Insurance Form) of the deceased employee or if there is no beneficiary to the estate of the deceased employee, in an amount equal to the vacation earned but not used. Said payment shall be made within a reasonable period of time.

Section 8.9

Vacation time may be used by employees in addition to, or in lieu of sick leave, with the approval of the Town Manager and the Library Director.

Section 8.10

An employee will not be charged a day of vacation if, while on vacation, a designated holiday occurs which falls on the employee's regular work day.

Section 8.11

An employee who becomes ill while on vacation leave may not charge such illness to sick leave unless that illness exceeds three (3) vacation days and the employee files a physician's certificate describing the nature and duration of the illness with the Library Director or his/her designee within five (5) working days of the day he/she returns.

Section 8.12

Accumulation of vacation balance will be included on employee bi-weekly payroll checks and will be available by employee self-service.

ARTICLE IX **SICK LEAVE**

Section 9.1

Employees shall be eligible for sick leave with pay which shall be accrued at a rate of 8.7500 hours per month (one and one quarter (1 ¼) days) 105 hours per year (15 days per year) to a maximum accumulation of one thousand fifty (1050) hours (one hundred and fifty (150) days). Sick leave benefits for part-time employees shall be prorated per hours worked. Sick leave accrued during the probationary period may be used as accrued.

Section 9.2

Sick leave shall not be considered a privilege which an employee may use at his/her discretion, but rather shall be used only for the following purposes:

- A. Personal illness, physical incapacity or non-compensable bodily injury or disease.
- B. Enforced quarantine in accordance with public health regulations.
- C. To meet medical and dental appointments when an employee has made reasonable efforts to secure an appointment outside his/her normal working hours, or during the beginning or end of his/her workday provided the Library Director or his/her designee is notified at the beginning of the shift. Other medical and dental appointments requiring leave time shall be requested similar to other leave request deadlines.

Disciplinary actions shall not be inconsistent with the infraction for which disciplinary action is being applied and shall normally be applied in the following order:

- a) verbal warning;
- b) written warnings;
- c) suspension without pay;
- d) discharge.

It is agreed that the Town has the right to vary the above procedure where an offense is of such nature as to warrant suspension or discharge.

Section 23.3

All written discipline must be given to the employee with the reason stated. A copy of this warning will then be given to the Union President within five (5) working days of the discipline.

Section 23.4

Each employee shall have the right to see and review his/her personnel file twice a year upon written request with the Library Director or his/her designee. Such review shall be by appointment only, and during regular business hours of the office staff. The Town shall provide at no cost copies that the employees may request from his/her personnel file. An employee shall have the right to respond to any material in the personnel file, and have such response made part of the file.

Section 23.5

Employees subject to discipline shall have the right to Union representation.

ARTICLE XXIV

GRIEVANCE PROCEDURE AND ARBITRATION

Section 24.1

For the purposes of this Agreement, a grievance shall be defined to mean a dispute between an employee and/or the Union with the Town over the interpretation or application of a specific section of this Agreement. Such grievances must be filed within seven (7) working days after

the occurrence of the event giving rise to it and shall be handled in accordance with the procedure set forth below. When used in this Article to determine when filings and answers must be made, working days shall mean Monday through Friday, but shall exclude any intervening holidays which are covered by this Agreement.

Section 24.2 – Step One

An employee who has a grievance may, in company with the representative of the Union, if he/she so desires, discuss the matter with his/her Library Director. If no satisfactory settlement is reached at this step, the grievance may then be put in writing by the employee, setting forth a specific section of the Agreement involved, and submitted to the Library Director within five (5) working days from the date of the above meeting.

Section 24.3 – Step Two

If a grievance is submitted in writing to the Library Director he/she will meet with the employee and his/her Union Representative within five working days after the grievance is submitted in an attempt to resolve such grievance. The Library Director will answer the grievance in writing and will deliver his/her answer to the employee and Union Representative within ten (10) working days after such meeting.

Section 24.4 – Step Three

If the answer of the Library Director is unsatisfactory, the grievance may then be submitted within ten (10) working days after receipt of the Library Director answer to the Town Manager, who will meet with the Union within fifteen (15) working days thereafter. The Town Manager shall have fifteen (15) working days after such meeting to answer the grievance in writing and to deliver the response to the Union.

Section 24.5 – Step Four

- A. If the Union is not satisfied with the answer given by the Town Manager and decides to pursue a grievance to arbitration it must notify the Town Manager within ten (10) working days of the Town Manager's answer to the grievance, that it intends to appeal the matter to arbitration (Notice of Intent). This notice must be provided prior to submitting the matter for processing to arbitration. Following receipt of the Union's Notice of Intent, the Town will have ten (10) working days to reply to the Union, designating the CSBMA (Connecticut State Board of Mediation and Arbitration) or private arbitration or the AAA (American Arbitration Association) as the dispute resolution agency. If the Town fails to respond within ten (10) working days, or indicates the SBMA is the acceptable dispute resolution agency, the Union will have ten (10) working days to submit the grievance to the SBMA.
- B. If the Town elects to use private arbitration or the AAA, it will notify the Union of the selection within ten (10) working days or its receipt of the Union's Notice of Intent.

- C. If the Town elects private arbitration, the parties will have ten (10) working days to select a private arbitrator. If the parties are unable to agree on a private arbitrator, the matter will be submitted to the AAA.
- D. In the event the Town selects private arbitration, the Town will assume 60% of the costs of the private arbitrator and/or the fees and expenses of the AAA and the arbitrator, with the Union being responsible for 40%.
- E. The Arbitrator(s) shall hear and decide only one grievance at a time. The decision of the Arbitrator(s) shall be final and binding upon both parties. The Arbitrator(s) shall be bound by and must comply with all terms of this Agreement and shall have no power to add to, subtract from or in any way modify or alter the provisions of this Agreement. In cases of disciplinary action, the Arbitrator(s) will have the power to uphold the action of the Town or to rescind or modify such action, and such powers shall include, but shall not be limited to, the right to reinstate a suspended or discharged employee with full back pay.

Section 24.6

Any time limits specified within this article other than the initial filing of a grievance may be extended by mutual Agreement of the Union and the Town provided that, if a grievance is not submitted to a higher step in the above procedure it shall be deemed settled on the basis of the Town's answer in the last step considered.

Section 24.7

Nothing contained in this Article shall preclude the right of the Union to be present at meetings held at any level of the grievance procedure provided that it does not interfere with the rights of employees as defined in Section 7-468(2)(d) of the General Statutes.

Section 24.8

At arbitration, the Town shall not deduct from the wages of a maximum number of two Local Union Representatives and the grievant for time spent at the hearing. At steps One, Two, and Three, the Town shall not deduct from the wages of a maximum number of one Local Union Representative and the grievant for time spent at these hearings. Grievance hearings will be held when possible during the employee and Union Representative scheduled work time.

ARTICLE XXV NO LOCKOUT-NO STRIKE

Section 25.1

The Town expressly agrees that it will not lock out the employees covered by this Agreement during its term.

Section 25.2

The Union and the employees expressly agree that during the life of this Agreement, there will be no strikes, slowdowns, work stoppages, mass absenteeism or other similar forms of interference with the operation of the Library.

ARTICLE XXVI **NON-DISCRIMINATION**

Section 26.1

There shall be no discrimination, coercion or intimidation of any kind against any employee of the Town, applicant for employment with the Town or candidates for promotion for any reason whatsoever, including, but not limited to, marital status, age, sex, sexual preference, race, creed, color, religious belief, national origin, ancestry, union activity or handicap, except in the case of a bona fide occupational qualification or need, either by the Town or by the Union.

ARTICLE XXVII **MISCELLANEOUS**

Section 27.1

Employees who are authorized to use their own vehicle to do Town business must do so in accordance with the Town's vehicle safety policy. In the event the Town plans to amend the vehicle safety policy, the Union will be given 30 days' notice of any material change, where possible.

Section 27.2

Employees who use their personal vehicle while conducting authorized Town business shall be reimbursed at the annual rate set by the IRS. The Town shall also reimburse employees for travel, lodging, meals and other reasonable and necessary business expense and reimbursement of said expense shall be in a manner prescribed by the Library Director when attending mandatory off site training and conferences.

Section 27.3

Upon presentation of a membership enrollment and proof of payment at a private health club establishment, the Town of Cheshire will reimburse up to \$250 per fiscal year towards the cost of participation in health or fitness management activities designed to promote employee wellness for any member of the bargaining unit who has completed at least one (1) full year of service as an employee. The Town shall also provide a 50% discount to bargaining unit members for health and fitness programs or classes offered by the Town.

Section 27.4

A. Union Officers or their designees, not to exceed two (2) at any one time, shall be allowed to attend official Union conferences, training sessions and seminars for the purpose of obtaining information which may enable them to better function as officials of the Union. The Union will give a minimum seven (7 working days) notification of such meetings to the Library Director and Personnel Director whenever possible.

B. Union Officers or their designees designated by the Union to attend such functions shall be allowed the necessary time off without loss of pay. Total days off for these functions for Union Officers or their designees shall not exceed nine (9) total days in any fiscal year for all Union Officers combined in any fiscal year.

Members of the Union negotiating committee, not exceeding a total of three (3) members, shall be granted leave from duty with full pay for all meetings between the Town and the Union for the purpose of negotiating the terms of the contract when such meetings take place during such members' duty hours. In addition, the Union negotiations committee may meet at least one hour before each bargaining session with the Town with full pay. Furthermore, the Union's Executive Committee may meet three (3) times per fiscal year for no more than two (2) hours each time during work hours without loss of pay.

Section 27.5

The Town will pay for membership to the Connecticut Library Association for all members of the bargaining unit.

Section 27.6

The Town shall permit the Union to have the use of a bulletin board located in the Library for the posting of notices concerning Union business and activity.

Section 27.7

The Town shall give each present employee of the Library and any new employee of the library a copy of this contract.

Section 27.8

If any Article or Section of the Agreement is declared invalid by a court of competent jurisdiction, said invalidity shall not affect the balance of this Agreement.

Section 27.9

The Union's Staff Representative shall be permitted to visit specific job sites where bargaining unit members are employed, provided such visits do not interfere with the operation of the

Department and provided further that the Director or Deputy Director is notified upon entry to the building.

Section 27.10

All references to the singular shall include the plural, and the plural shall include the singular; and gender shall be interchangeable where the context so requires.

Section 27.11

Any prior right or practice heretofore enjoyed by members of this bargaining unit or the Town and recognized by both parties which may not be specifically covered by a provision of this Agreement shall continue in full force.

Section 27.12 Retirement Incentive Program

The following program shall be opened for bargaining unit employees of the Cheshire Library on a voluntary basis:

For members of the Library Union with at least twenty (20) years of Town Service;

Employee(s) must be a Town pension participant;

The employee must provide the Town with notice to retire within the first thirty (30) days following the execution of the CBA between the Town and the Union and hereafter no later than the fifteenth of the month of February;

The employee must retire by December 31, 2021 under the first open period. Employees must retire by June 30 in subsequent open periods; years in which notice was provided no later than the fifteenth of the month of February. Should more than one employee apply for retirement during the open period, the slots shall go to the most senior employees applying.

The employee will receive payment for unused vacation and sick time in accordance with the CBA;

The employee will receive payments in July of each year for four (4) consecutive years representing \$150 times the number of years worked as of the date of retirement;

The Town will maintain life insurance for four (4) consecutive years following retirement through June 30 of the last of the four years following retirement;

The Town will make payment for health insurance for employees and spouse and eligible dependents at time of retirement, less any premium share in effect at the time of retirement, for four (4) years or until the employee reaches 65, whichever date comes first;

The employee will be allowed to exchange vacation balance for an additional service credit of one year at a rate of 25 days per additional year of credit and to exchange sick leave balance at a rate of 75 days per one additional year of credit.

If the employee dies before receiving the "annual \$150 times years worked" payment and unused vacation and sick time payment, remaining payments shall be made to his/her spouse or other beneficiaries or if no beneficiaries to the employee's estate. Eligible spouse and beneficiaries will continue to receive health insurance until the date that the employee would have reached age 65 or until four (4) years following the date of retirement, whichever date comes first.

The Retirement Incentive will be limited to three (3) employees per open period. The first "annual \$150 times years worked" payment for the 2021 ERIP will be deferred to July, 2022.

ARTICLE XXVIII
