Cheshire, CT 06410

**Re: Lot 3 – Orchard View Subdivision
Academy Road and Wiese Road
Cheshire, Connecticut
SLR #141.14997.00014.0200**

Dear Mr. Kurtz,

We have completed a Site Development Plan for the parcel of land known as Lot 3 at Orchard View Subdivision off Academy Road and Wiese Road. At the time of the subdivision approval, the development of the house, driveway, and septic system on this lot were outside of the 50' regulated upland review area. The plan as currently proposed has minor changes to the house locations but still does not result in any encroachment into the regulated upland review area.

At this time, we are requesting a determination for the need of an Inland Wetlands and Watercourses application for this lot.

Should you have any further questions, please do not hesitate to contact me.

Sincerely,

SLR International Corporation

Ryan McEvoy, PE
Principal Civil Engineer

SEE ATTACHED SHEETS FOR THE INFORMATION NECESSARY TO COMPLETE THIS APPLICATION.

APPLICATION FOR INLAND WETLANDS AND WATERCOURSES PERMIT

Purpose and description of the proposed activity (including the area of wetlands or watercourses to be disturbed); alternatives considered and why the proposal to alter wetlands set forth in this application was chosen: Construction of a single family house, driveway, septic system, and associated site grading. There are no direct wetland impacts nor activity within the upland review area proposed for this lot.

Applicant's interest in the land: ☒ Owner, ☐ Tenant, ☐ Lessee, ☐ Partner,
☒ Other _____

Please attach a list of adjacent property owners.

Check in full payment of minimum application fee – see attached fee schedule - (payable to Collector – Town of Cheshire). An additional fee shall be required if significant wetland activity is determined upon acceptance of the application. The Commission may, at its option, refund this application fee for a non-regulated activity.

NOTE: In order to expedite the review of this application, and avoid unnecessary delay, it is important that the applicant and the land surveyor and/or professional engineer who shall prepare the maps and other plans shall carefully review the Inland Wetlands Regulations to be certain that the plans comply with all requirements contained therein. Applications must be received by the Town Planner's Office by 4 p.m. the Wednesday prior to the next regularly scheduled meeting of the Inland Wetlands Commission in order for the application to be included on the filed agenda and taken up by the Commission for discussion, action or otherwise.

Per Section 7.1E. of the Inland Wetlands and Watercourses Regulations, three copies of all application materials (including maps) shall be submitted with the original application to comprise a complete application or as is otherwise directed, in writing, by the Commission.
