

RECOMMENDATION OF THE ECONOMIC DEVELOPMENT COMMISSION REGARDING INCENTIVES

The Economic Development Commission (EDC) recommends that the Cheshire Town Council continue to grant incentives on a case-by-case basis to achieve desired business development. The EDC proposes the following guidelines to determine whether and what form of incentives should be used to attract new business or help existing companies expand.

COMMUNITY AND ECONOMIC BENEFITS

Incentives may be granted to businesses that are compatible with the Town of Cheshire, including those which:

- ❖ Meet the town's zoning regulations
- ❖ Are in accord with the economic development objectives of the Town of Cheshire
- ❖ Meet the goals of the town's Plan of Development

Principal criteria in determining whether to grant incentives should be:

- ❖ Additional net permanent tax revenue & expense to the town
- ❖ Increased and long-term employment opportunities developed by the business
- ❖ Fee revenue generated by the business

INCENTIVES FOR BUSINESS DEVELOPMENT

The following are the types of assistance that may be utilized:

- ❖ Off-site infrastructure improvements.
- ❖ Real property tax incentives for commercial and industrial uses pursuant to the criteria of section 12-65b of the Connecticut General Statutes.
- ❖ Tax incentives for information technology personal property pursuant to 12-81t of the statutes.
- ❖ The town may, at its discretion, waive a portion of the personal property tax revenue associated with the project pursuant to 12-65h of the statutes provided the personal property is new to the Grand List and exceeds \$500,000.
- ❖ Where appropriate and necessary, a combination of infrastructure and tax incentives.
- ❖ In lieu of tax incentives, tax increment financing (TIF) may be available to support development in the Interchange Zone TIF District.
- ❖ The deadline to apply for a tax incentive is 60 days after issuance of a Certificate of Occupancy (CO).

REVIEW AND ADOPTION

The EDC recommends that the policy and practice of granting incentives should be reviewed every three years. The Cheshire Town Council approved renewal of the policy on July 14, 2020. Policy is in effect until June 30, 2024.
