Chesprocott Health District has notified the Town that a Cheshire resident, a 73 year old woman with underlying medical issues, has died from complications of COVID-19. The community offers its deepest sympathy to the family and friends for the loss of their loved one.

The Town of Cheshire currently has 27 officially confirmed positive cases of COVID-19 within our community.

Residents are strongly urged to continue to stay home, to adhere to social distancing, to avoid interpersonal contact as much as possible, to practice respiratory hygiene (cover your cough and sneeze with a disposable tissue), to wash your hands and avoid touching your face, and to disinfect surfaces.
