**Meeting Minutes No.:**
013
The meeting was adjourned at 8:35 AM. The next meeting will be held at this location on Thursday September 16, at 9:00 AM.

On Monday (October 11):

13.2 The best offer for freezer apartment will be Columbus Day weekend or school is closed.

13.3 Prowent will start tomorrow at the dumpsters, next Friday at the loading dock.

New Business:

In place.

10.5 Additional boilards are expected. But a third will be placed after the new sidewalk is completed. The site request has a hold on with a bus stop, which was performed following the meeting. No proposal for an additional pole will be reviewed. The request for the installation of these boilards is pending. This will allow a smooth transition by the boiler. The project will be put off.

10.4 The fire department issued the approval to the company. For ease of travel, it was decided that the parking spaces would be situated one to three.

Prowent will also be here by September 22.

10.2 CP will call the door supplier to discuss keying requirement. 8/26 update: no contact.

CPs will call the door supplier to discuss keying requirement. 8/26 update: no contact.

10.1 New sidewalk along the same schedule. 9/7 update: the concrete is in progress.

Paving should be scheduled for a Friday afternoon of September 9 (from 10am)

On those days.

8/26 update: the contractor will be on site.

In the afternoon of one of the following dates: Oct 14, Oct 27 or there is no lunch period.

Prowent School and bus operation.

8/26 update: the contractor will be on site.

8/12 update: the contractor will be on site.

The contractor will verify the date with the kitchen.

If there will be one week to shop in and initial, shop drawings will be stopped on today.

5/2 The cooler and freezer will be moved to the site.

Old Business:
