Alcohol Awareness Week Sub Committee of Human Services Committee
January 14, 2010 Minutes

Attendance: K. Nankin, M. Sturges, M. Rose   Staff: S. Bourdon

K. Nankin called the meeting to order at 6:34pm. She also lead the Pledge of Allegiance.

Approval of Minutes: M. Surges made a motion to accept the minutes from the December meeting, M. Rose seconded – passed unanimously.

Dodd Participation: M. Rose will meet with Principal Solan in the next few weeks about the Logo Contest and the Posters of previous winners to hang in the schools. The timeline is roughly: Materials out to students on February 22nd (to the school a week prior), Decisions will be made by March 16th to give Barker’s three weeks to complete project. M. Rose will review this timeline with Principal Solan.

Chamber Expo: K. Nankin reported that she arranged to have a table at the April 10, 2010 Expo.

Library: M. Sturges stated that she will contact the Library in the next few weeks about having a display of relevant materials and hanging the logos for public display.

Merchant Giveaway: The subcommittee had a short discussion about changing giveaways from the bags to something else. They also discussed having something to give out in the school – something that hasn’t been done before but makes sense since youth are designing the logos. The mood pencils have been very successful with youth and that may be a very cost effective way to reach out to the middle school youth this year.

S. Bourdon reported that the Youth from the Youth Services Committee are working on a video for parents that will premiere on April 15th during Alcohol Awareness Week. Attendees will pay a small charge at the door that will go to the fuel/food banks. They are making great progress and are almost done with the first draft of the script.

M. Rose made a motion to adjourn the meeting, K. Nankin seconded at 7pm.

Respectfully Submitted,

Sarah Bogdanski Bourdon
